Progress Report | Aarya Tambe

Name: Aarya Tambe

Std: VIII

School: Sweet Memories School, Panchgani

Years with RA: 4

ACADEMIC UPDATE

Since the pandemic began, Aarya has been studying at home via online classes. Despite initial hiccups of studying online, Aarya is now comfortably able to navigate through his school curriculum online. His studies didn't get hampered much due to the lockdown and closure of schools as he completed studies for his respective class as well as gave periodic tests and exams for the year. Presently he has appeared for his final examination of his academic year and is awaiting results.

EXTRACURRICULAR ACTIVITIES

Aarya is a bright student with the ability to balance academics and extracurricular with ease. His interest lies in playing carom as well as drawing and art. When the school reopened for a brief while, Aarya participated in a tournament of carom where he successfully defeated his peers and ultimately bagged the first prize of the tournament. He also successfully participated in an art competition where he was the runner up.

BEING AT HOME

Continuing his passion for art and drawing, Aarya learned to use water colors in his drawings. Over the course of the year, he has learnt to use water colors with ease. Staying at home, he also started to learn how to cook food to help out his mother. Aarya frequently helps out his mother in other household chores which makes his mother very proud of him
