Progress Report | Imran Shaikh

Name: Imran Shaikh

Std: X

School: Silverdale High School

Years with RA: 7

ACADEMIC UPDATE

Imran is a hardworking student. As he is currently in the 10th std and will be appearing for his board exams, he has planned his studies well. He enjoys studying Social Studies, making subjects like History and Geography his favorites. He has completed all his 10th Std project successfully. This year he attended his classes online and after December 2020 he went back to his school and experienced the physical setting of offline classes.

EXTRACURRICULAR ACTIVITIES

He is a very good sports player and he loves to play football. He looks forward to becoming a football player one day. He likes to draw and make craft articles. He surprised everyone by making some amazing drawings and greeting cards during Diwali. He also likes to do calligraphy and practices it often.

BEING AT HOME

Due to covid, Imran's mother lost her job, and Imran made a decision of working and supporting the house. He got a job at the Reliance Mall. He used to start work at 9:00 am and returned back home at 5:00 pm, after which he used to study for his board exams. It was after Diwali that he felt the need to concentrate on his studies completely and his mother supported his decision. Imran likes to attend the RA foundation youth monthly sessions and students meetings.
